

CAPTURE THE MOTION

Press release 2012-09-05

Vicura AB has set up a Volvo Partner Office

The engineering company Vicura AB has been appointed to establish a local Volvo Partner Office at their headquarters in Trollhättan, Sweden.

Vicura AB is a supplier of driveline engineering services for the Volvo group.

“Vicura is proud to be a trusted long term engineering service provider to the Volvo Group. Setting up the local Partner Office will enable an even closer cooperation” says Vicura’s CEO Dennis Lundgren
